GREENWOOD LAKE UNION FREE SCHOOL DISTRICT
FOOD SERVICE DEPARTMENT

Student Name: ______________________ ID number: ______________________
(PIN - Personal Identification Number)

Current Meal Prices 2019-2020
(subject to change prior to the start of the school year)

Elementary Schools: 
Breakfast - $1.50  Lunch - $2.90
Middle School: 
Breakfast - $1.50  Lunch - $2.90

Students are able to purchase a la carte items at all schools. If you want your child to ONLY purchase complete meals with their account please contact the Food Service office at 782-8678 X52340.

Student’s Account: 
This Student ID number creates an account in our Point of Sale Register. The money you send to school is deposited into the register account as cash. The value of each purchase will be deducted from this account.

Process: 
Students access their account, at the register, through the Point of Sale “Pin Pad”

How to Pay: 
Payments may be made by cash or check made out to Cafeteria Fund. Please put all payments in an envelope, noting your student’s first and last name & PIN. If you have students in different schools you must send the cash or check to each building.

On Line Payment: MySchoolBucks
The Greenwood Lake Union Free School District uses MySchoolBucks, a secure, online payment system that allows parents to quickly deposit money into their child’s school meal account at their own convenience. Parents will be able to pay for school meals, view their child’s account balance, receive optional alerts when the balance is low, and even see what food purchases their child made – anytime, anywhere, from their computer or smartphone. Payments can be made with a credit card, debit card or checking account and are quickly credited to your child’s account. MySchoolBucks is used by more than 25,000 schools across the country. Visit www.myschoolbucks.com for details.

Free/Reduced Meal Program: 
If your student is approved for this program, the computer references their status and charges accordingly.

Charging Practice: 
The District expects parents to stay current with their child’s school meal account. There are times when children lose or forget their lunch money at home. The District has a practice of serving children meals regardless, however, it is expected that this type of issue would be resolved. Weekly you will receive a letter home alerting you to the negative balance in your students meal account.
