

Greenwood Lake Union Free School District

P.O. Box 8 • Greenwood Lake, NY 10925

(845) 782-8678 • fax (845) 782-8582

www.gwlufsd.org

Student Name _____ ID number: _____
(PIN - Personal Identification Number)

2018-19 Meal Prices

Elementary Schools:	Breakfast - \$1.50	Lunch - \$2.85
Middle School:	Breakfast - \$1.50	Lunch - \$2.85

Student's Account:

This Student ID number creates an account in our Point of Sale Register. The money you send to school is deposited into your child's school meal account as *cash*. The value of each purchase will be deducted from this account.

Students are able to purchase a la carte items. If you want your child to **ONLY** purchase complete meals with their account please contact the Food Service Office at 782-8678 X52340.

Process:

Students access their account, at the register, through the Point of Sale "Pin Pad"

How to Pay:

Payments may be made by **cash** or **check** made out to **Greenwood Lake Union Free School District (GWLUFSD)**. Please put all payments in an envelope, noting your student's first and last name & PIN. If you have students in different schools you must send the cash or check to each building.

On Line Payment: MySchoolBucks

The Greenwood Lake Union Free School District uses MySchoolBucks, a secure, online payment system that allows parents to quickly deposit money into their child's school meal account at their own convenience. Parents are able to pay for school meals, view their child's account balance, receive optional alerts when the balance is low, and even see what food purchases their child has made – anytime, anywhere, from their computer or smartphone. Payments can be made with a credit card, debit card or checking account and are quickly credited to your child's account. MySchoolBucks is used by more than 25,000 schools across the country. Visit the district website www.gwlufsd.org link to "Lunch Menus" or www.myschoolbucks.com for details.

Free/Reduced Meal Program:

If your student is approved for this program, the computer references their status and charges accordingly.

Meal Charge Practice:

The District expects parents to stay current with their child's school meal account. There are times when children forget or lose their lunch money. The District has a practice of serving children meals regardless; however, it is expected that this type of issue would be resolved. After five meal charges, you will receive a letter home alerting you to the negative balance in your students meal account.

Please visit the Food Service's web page for additional information.
