Greenwood Lake Middle School

Select Chorus Contract 2016-2017

As a member or of the Stone Hill Select Chorus, I will:

1. Attend all rehearsals and concerts.
 - a. Any excused absences including illness or family emergencies must be preceded or followed by a note or e-mail to Mr. Compton to confirm the reason for your absence.
 - b. Each student is allowed 2 unexcused absences. After that, their ability to participate in the group will be determined by the director.
 - c. Provide Mr. Compton with 2 weeks' notice if I will miss a concert or performance in order to prepare accordingly.

2. Be on my best behavior during rehearsals and concerts.
 - a. This is a select group so it is expected that you will be alert, attentive and on task as we work on and perform this music.
 - b. Good singing posture is expected whenever the group is singing.
 - c. Excessive talking will warrant the director determining if the student should still be a member of the choir.
 - d. Maintaining a positive attitude at all times with myself, my classmates, the accompanist, and my director.

3. Respect the property given to me by Mr. Compton.
 - a. Take care of the music and any other materials provided by the school.

b. Return items that are borrowed when finished with them.

Students - By signing this document, I understand the responsibilities listed in the above statements. I also acknowledge that my presence, attitude, behavior, and decisions will impact not only me but the group as a whole. Therefore, I pledge to do my best to uphold the items listed above and to work hard to make this the best experience possible.
